EDUCATION

B.Tech (Mechanical) — IES College of Technology, Bhopal | Score: 75.1%

Class XII — Bihar Board, 2020 | 68.2%

Class X — CBSE Board, 2017 | 76%

ACADEMIC PROJECTS

Study and Fabrication of Electromagnetic Braking System

- Built using mechanical components; the system operates on the electromagnetic braking principle.

Solar Seed Dryer

- Designed a solar-powered drying device to aid preservation of agricultural produce, replacing traditional open-air sun/wind drying and improving crop shelf life and availability.
